Phonics

► What do children learn?

- Listening and attention: Enjoying songs, rhymes and stories, and learning to listen carefully to different sounds.
- Sound awareness: Exploring environmental sounds, body percussion, rhythm and musical instruments.
- Oral blending and segmenting: Playing with sounds in words, such as hearing the separate sounds in m-a-t and blending them together.
- Vocabulary and speaking: Learning new words, joining in with rhymes and developing confidence in talking.
- Enjoyment of books: Sharing stories, looking at pictures and developing a love of reading.

► How we teach phonics in nursery

- We use short, fun, interactive sessions, alongside songs, rhymes and playful activities throughout the day. Children learn through listening, moving, singing and exploring sounds at their own pace.

Walk and Talk

- ▶ Short walks around our local area, whereby children walk and talk about their observations of their surroundings.
- ▶ It promotes awareness of their surroundings.
- ▶ It introduces them to new vocabulary and how to use the new words they are hearing.
- ▶ It teaches them to listen and to respond to questions and comments you are making.
- ▶ It gives them the opportunity to stop and think and to form their own opinion.
- ▶ We need your full participation in order for your child to go!

Stay and Play

- ▶ Once the children are all settled, we will introduce Stay and Play.
- ▶ This is where parents are able to visit Nursery with their child and spend some time in the classroom.

How to help at Home

- Talk to your child.
- Set aside quiet times to read to your child - at least 10 minutes each day
- Sing songs
- Play listening games.
- Involve your child in everyday activities
- Play with your child – anything from board games to hide and seek

Read with your child regularly to help them develop a love for books.
Your child will bring a book home every Monday.

Reminders

- ▶ Please ensure that spare clothes are clearly labelled
- ▶ Check bags for letters etc
- ▶ No snacks or juice should be brought into school
- ▶ Letters for events including walk and talk, trips and anything else will be sent out in advance of that date!
